

# EMPLOYERS

Can you offer a young person a **job placement** that will give them the experience they need?

It will be **fully funded** by the government.

The Kickstart Scheme was launched in September 2020:

- ✓ Providing fully-funded jobs for 16 to 24 year olds on UC who are at risk of long-term unemployment.
- ✓ Helping young people, who have been some of the hardest hit by the economic impact of the pandemic, onto the first rung of their career ladder.
- ✓ Pays 100% of the relevant National Minimum Wage for 25 hours per week for 6 months.

Employers provide support throughout the placement to improve the Kickstart Schemes candidate's skills and confidence, which will hopefully springboard them into a permanent role.
